

ELEMENTARY SCHOOL CLIMATE SURVEY

GRADE K-3

THE BULLYING PREVENTION FACE

TEACHER DIRECTIONS:

This is a simple bully prevention survey to be used with primary students from grades JK to Grade 3.

DEFINITION:

Bullying is a hurtful act done to you (more than once) by the same child or group of children. It can also be hurtful words.

Some examples of bullying are: any body contact such as hitting, pushing, tripping, hair pulling, teasing, name-calling, not being allowed to play, and taking your belongings without asking.

ACTIVITY 1 : QUESTION

Are you being bullied at school?

Draw a sad face.

If you are not bullied at school.

Make a happy face.

ACTIVITY 2 : THE THINKING BALLOON

If you are being bullied at school:

Print words (or draw a picture) to show what types of bullying are happening to you at school.

If you are happy at school:

Print some words (or draw a picture) to show what activities you enjoy playing at school.

Thank you.
